Report to accompany the estimate for Replacing the 2 dilapidated temporary latrines of the Sub Assistant Surgeons quarters of the Government hospital, Mangalore by septic tank ones.

Amount of estimate Rs.700/-(Rs.350 each)

(Vide items Nos.42(b) page 178 and 43(b) of R.P.B).

Capital cost. Not known.

The existing latrines of the two Sub Assistant Surgeons' quarters of the Government hospital at Mangalore vide items Nos. 42-b and 43-b of the register of public buildings are temporary structures and are in a very dilapidated condition and it is also dangerous to use them. Any money spent on them in the shape of repairs will be a waste. The District Medical Officer, Mangalore has recommended for the reconstruction of the two latrines vide his letter No.3581 M dated 4-7-40. This estimate therefore provides for the reconstruction of the two latrines as per plan enclosed and at the places marked in pencil in the sketch of sites of the quarters. The latrines will have septic tanks as per sanitary design No.4A/49-36.
